Linnut magazine is published by BirdLife Finland, a parent organization of 30 Finnish ornithological societies with over 29 000 members and supporters, and a partner of BirdLife International – a world wide organization for the protection of birds. Linnut is the leading magazine for keen birdwatchers in Finland.

Each issue contains a wealth of information and practical advice on all aspects of birds and birding, from conservation and identification to news, views and product reviews. This exquisite four-colour magazine gives an enjoyable reading experience.

Linnut magazine offers an excellent opportunity to let the birdwatchers know of your environmental perspectives, and an efficient way to market all birdwatching products and services.
