

# Kids' Birdwatching Week

## Observation **BINGO**

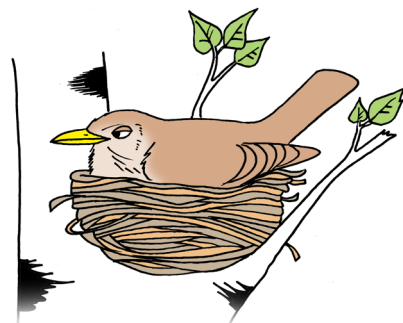

You can tick off the box(es) whenever you observe a sign of nesting. At the same time, you can play bingo: if you manage to tick three boxes in a row – either vertical, horizontal or diagonal – say “bingo!”

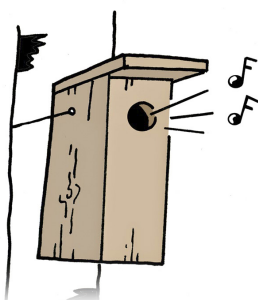

A bird often goes to a possible nest site

☐

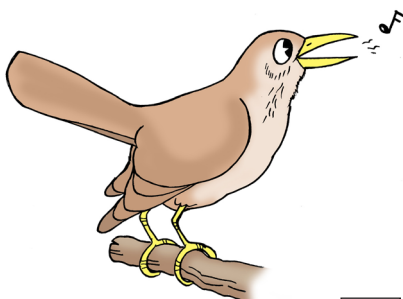

A bird warns or attacks towards a predator or a person

☐

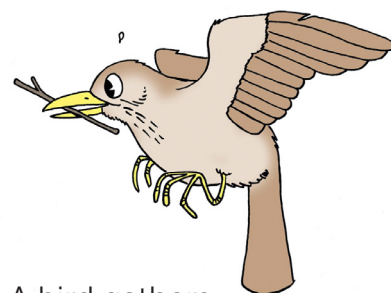

A bird incubates (sits still) on its nest

☐

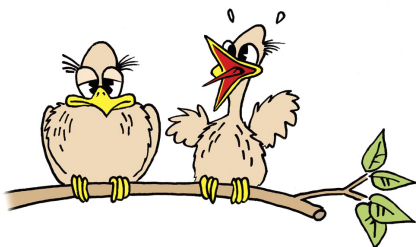

Sounds of chicks from a nest or a nest box

☐

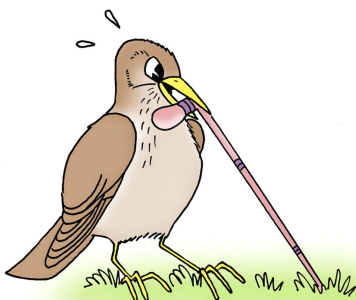

A bird sings

☐

A bird gathers or carries nest material

☐

Young birds that have already left their nest

☐

A bird carries food

☐

A bird builds a nest

☐

Report your observations online ([birdlife.fi/birdweek](http://birdlife.fi/birdweek)) and participate in a draw for prizes!
